

**1.7** The questions in Part 3 often ask for your opinion. Look at the questions 1–5 and answer them in your own words. Make sure you expand on your answer using techniques from 1.4.

- 1 Do you think it's more important to earn a large salary or to be happy in your job?
- 2 Do you think some people spend too much time on their computers these days? (Why?)
- 3 Do you think the government should try to control the internet, or should people be able to write whatever they want?
- 4 Pollution is a problem in many countries. What do you think governments can do about it?
- 5 Do you think newspapers and books will eventually disappear?

**Test Tip** For Part 3, it is important to have your own opinion. Try to read newspapers and watch the news to keep up with current issues.

## 2 Agreeing and disagreeing

**2.1** Sometimes the examiner will give you an opinion and then ask 'Would you agree with that?' Look at the following responses to this question. Put the different answers into the correct column according to their meaning.

- |                                                  |                                                                |
|--------------------------------------------------|----------------------------------------------------------------|
| 1 Oh no, not at all.                             | 6 I completely disagree.                                       |
| 2 Well, I think there are valid points for both. | 7 I can see your point, but ...                                |
| 3 I totally agree with that.                     | 8 Yes, I think that's absolutely right.                        |
| 4 I think I would probably have to say no.       | 9 Actually, I think it depends on the situation/country/person |
| 5 To a certain extent, yes.                      | 10 It seems to me that there are two sides to consider.        |

**Test Tip** Don't be afraid to disagree with the opinions the examiner expresses. These are not necessarily what the examiner thinks or believes. It is simply a chance for you to showcase your language and ideas.

| Strongly disagree | Disagree to some extent | Neither agree nor disagree | Agree to some extent | Strongly agree |
|-------------------|-------------------------|----------------------------|----------------------|----------------|
|                   |                         |                            |                      |                |

### 3 Improving your Lexical Resource score

Another of the criteria your examiner will use to assess your speaking is called **Lexical Resource**. You will score well if you use a wide range of vocabulary and don't limit yourself to basic words and phrases. During the Speaking test, try not to repeat the same words too often and use some idiomatic expressions if you can.

## 4 Checking, correcting and assessing

In this unit you will practise:

- dealing with problems
- pronunciation and intonation
- running words together (chunking)
- assessing your level

### 1 Dealing with problems

- 1.1**  **Video 14** Watch five extracts from different interviews and decide which of the problems (A–D) each candidate is experiencing. There may be more than one possible answer and you may use any letter more than once.

#### Problems

- A the candidate doesn't understand the question
- B the candidate hasn't heard the question properly
- C the candidate has made a mistake
- D the candidate isn't sure how to answer

- |             |            |
|-------------|------------|
| 1 Emanuele: | 4 Saida:   |
| 2 Saida:    | 5 Melanie: |
| 3 Melanie:  |            |

**Test Tip** Listen carefully to the examiner's questions to make sure that you answer them fully and appropriately. Don't be too shy to ask for help in the interview if you need it.

- 1.2** Watch again and notice how the candidate responds to the problem. Choose the correct letter (A–D).

#### Candidate's response to the problem

- A the candidate stays silent
- B the candidate attempts an answer but is hesitant
- C the candidate asks a question to check
- D the candidate corrects him/herself

- 1.3** Which of these ways of dealing with problems do you think could give you a lower mark? Why?
- 1.4** What did the examiner do in extracts 1 and 2 to help keep the candidate talking?
